## 4. Brief Inspiration / Description

“One CBC Technology. A Stronger Tomorrow Together.” This design represents CBC Technology as one global team, connected across geographies, cultures and disciplines. The flowing journey represents collaboration, innovation, security, modernization and impact, while the global landmarks and connected world reflect our diversity and worldwide reach. The people moving together symbolize our shared purpose and commitment to building secure, resilient and modern core banking technology that creates meaningful value for customers and colleagues, today and for a stronger tomorrow.
