4. BRIEF INSPIRATION / DESCRIPTION

One CBC Technology. A Stronger Tomorrow Together.

The design captures our journey as one global CBC Technology team, walking together towards a brighter tomorrow. The flowing path represents collective progress, from collaboration and new ideas to secure and modern platforms that create real impact for our customers and colleagues.

The global landmarks and connected world represent our diverse teams and worldwide reach. The rising path symbolizes a stronger, more innovative future we are building together. The design reflects our people, our purpose, and our commitment to modernize core banking technology and make a meaningful difference, today and for generations to come.
