4. BRIEF INSPIRATION / DESCRIPTION

“One CBC Technology. A Stronger Tomorrow Together.” This design represents CBC Technology as one global team, connected across geographies, cultures and disciplines. The flowing journey and diverse people symbolize collaboration and inclusion, while the connected world and landmarks represent our global reach. The five visual bands represent collaboration, innovation, security, modernization and impact, reflecting a shared commitment to build secure, resilient and modern core banking technology that creates meaningful value for customers and colleagues, today and for a stronger tomorrow.
