4. BRIEF INSPIRATION / DESCRIPTION

“One CBC Technology. A Stronger Tomorrow Together.” This design represents CBC Technology as one global team, connected across geographies, cultures and disciplines. The people moving together and the connected world symbolize collaboration, inclusion and our global reach. The flowing journey and landmarks represent our diverse teams and shared purpose. The five themes, Collaborate, Innovate, Secure, Modernize and Impact, reflect our commitment to building resilient, secure and modern core banking technology that creates meaningful value for customers and colleagues, today and for a stronger tomorrow.
